National 5-Day Faculty Development Program (FDP)

“REDEFINING VALUES IN MANAGEMENT EDUCATION”

Organized by: Department of Management

Date: July 11th - July 15th, 2023

Platform: Google Meet

The National 5-Day Faculty Development Program (FDP) titled *"Redefining Values in Management Education"* was organized by the Department of Management from July 11th to July 15th, 2023. The program aimed to enhance faculty members' skills in subjectivity and management goals in education, teaching art, time management, ethics, and self-management skills. Over 90 participants, including educators from diverse parts of the country, took part in this program.

It also covered modern educational trends, creative common licenses, and open educational resources.

Objectives

The FDP was designed to:

- Enhance the understanding of subjectivity in management education.
- Develop teaching and self-management skills among educators.
- Foster ethical principles in research and publication.
- Introduce trends in creative common licensing and open resources.

Structure of the Program

The FDP sessions were conducted daily, each led by a distinguished expert, offering practical and insightful discussions tailored for educators. Delivered through the Google Meet platform, each session was scheduled for an hour, from 7:00 PM to 8:00 PM, ensuring focused and engaging interactions.

Resource Persons & Topics

1. Day 1 (July 11, 2023)

- **Resource Person:** Dr. Indhu G. Krishnan

Principal
yuva kshetra
Institute of Management Studies
Ezhakkad(PO), Mundur, Palakkad(Dt.)
Kerala, India, Pin-678 631

- **Designation:** Assistant Professor, Department of Commerce, Rajagiri College of Management and Applied Sciences, Ernakulam
- **Topic:** Imparting Leadership Skills
- **Key Highlights:**
 - Focused on strategies for developing leadership qualities among educators and students.
 - Emphasized the importance of leadership in academic and professional growth.

2. Day 2 (July 12, 2023)

- **Resource Person:** Dr. T. S. Subbulakshmi
- **Designation:** Assistant Professor, Department of Commerce, Sri Paramakalyani College, Alwarkurichi, Tenkasi, Tamil Nadu
- **Topic:** Technology to Be Adopted Today
- **Key Highlights:**
 - Discussed emerging technologies and their applications in education and management.
 - Highlighted tools and techniques for enhancing productivity.

3. Day 3 (July 13, 2023)

- **Resource Person:** Dr. J. Pavithra
- **Designation:** Assistant Professor, Department of Management Studies, Bharath University, Chennai
- **Topic:** Awareness of IPR
- **Key Highlights:**
 - Provided insights into Intellectual Property Rights (IPR) and their significance.
 - Discussed the role of IPR in fostering innovation and protecting ideas.

4. Day 4 (July 14, 2023)

- **Resource Person:** Dr. Pranav Desai
- **Designation:** Practicing Professional in New Product Development and Project Management, UK-based IT Multinational Company

Principal
yuva kshētra
 Institute of Management Stud
 Ezhakkad(PO), Mundur, Palakkad
 Kerala, India, Pin-678 63

- **Topic:** Roles of Artificial Intelligence in Management
- **Key Highlights:**
 - Explored the applications of AI in management practices.
 - Highlighted AI's potential in decision-making and operational efficiency.

5. Day 5 (July 15, 2023)

- **Resource Person:** Dr. Charithra C. M.
- **Designation:** Associate Professor, Department of Business Administration, BNM Institute of Technology
- **Topic:** Ethical Values in Management
- **Key Highlights:**
 - Discussed the significance of ethics in management and leadership.
 - Highlighted best practices for fostering ethical behaviour in organizations.

Key Insights and Highlights

The sessions provided valuable insights into:

- Modern teaching techniques.
- Strategies for time and self-management.
- Ethical research practices and their application in education.
- Leveraging open educational resources.

Program Evaluation

- Feedback was collected from participants after each session to gauge the effectiveness of the program.
- Participants commended the engaging and practical content delivered by the resource persons.
- The sessions were highly interactive, providing an excellent platform for educators to exchange ideas and discuss challenges in their respective fields.
- E-certificates were awarded to all participants on the final day of the FDP.

Principal
yuva kshētra
Institute of Management Studies
Ezhakkad(PO), Mundur, Palakkad(Dt.)
India, Pin-678 631

Outcome

The FDP program was highly successful in achieving its objectives. Participants reported enhanced motivation and professional growth, fostering faculty development. The sessions significantly improved their competence in outcome-based education, equipping them with practical strategies for implementation. Additionally, the program contributed to strengthening academic reputation and promoting institutional advancement, ensuring relevance to current academic and professional standards.

Feedback Analysis

The FDP program received overwhelmingly positive feedback from participants, demonstrating its success in meeting the intended objectives. Feedback was collected through a survey distributed to all participants after each session.

Feedback Metrics

The feedback was categorized based on the following parameters:

1. Relevance of the Topics
2. Clarity and Engagement of Resource Persons
3. Usefulness of Content in Practical Application
4. Interaction and Question-and-Answer Sessions
5. Technical Aspects and Coordination
6. Overall Satisfaction with the Program

Participants rated these aspects on a scale of 1 to 5, with 1 being “Poor” and 5 being “Excellent

Key Findings:

1. Relevance of the Topics:

- Participants rated the topics highly relevant, with an average score close to 4.5/5.
- The selected themes aligned well with current trends and participant needs.

Principal
yuva kshetra
Institute of Management Studies
(P.O.), Mundur, Palakkad(Dt.)
India, Pin-678 631

2. Clarity and Engagement of Resource Persons:

- Feedback showed high satisfaction, with an average rating exceeding 4.5/5.
- Resource persons delivered clear and engaging sessions, enhancing learning outcomes.

3. Usefulness of Content in Practical Application:

- The content scored highly (average near 4.5/5), indicating strong applicability to participants' professional roles.

4. Interaction and Question-and-Answer Sessions:

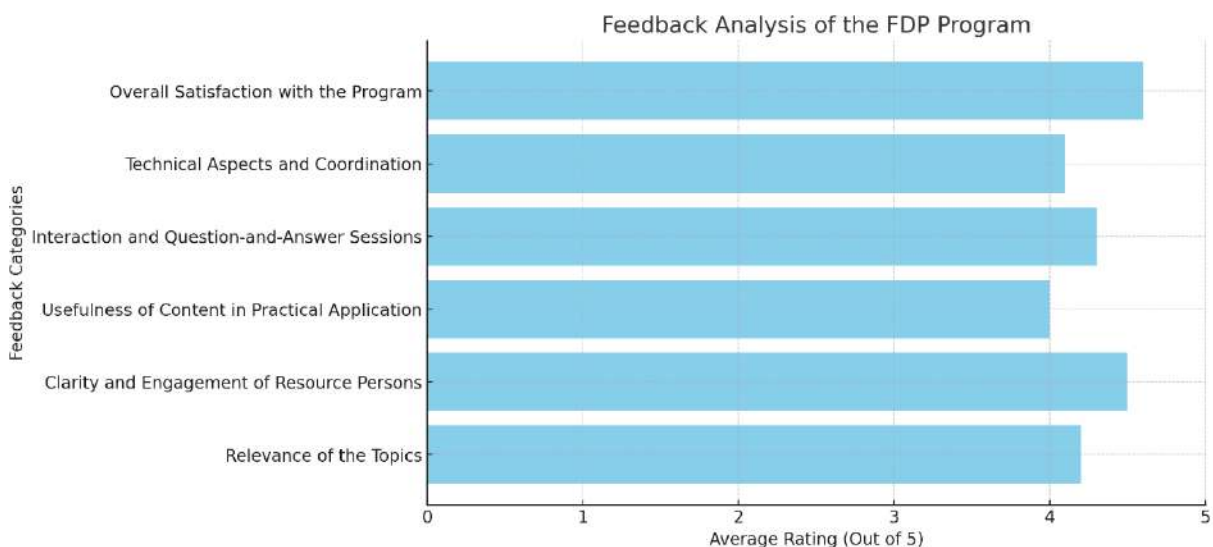

- The interactive sessions were well-received, averaging a rating around 4.4/5.
- Effective query resolution contributed significantly to participant satisfaction.

5. Technical Aspects and Coordination:

- The technical and organizational aspects were commended, with a high average rating around 4.4/5.
- Smooth coordination added to the overall positive experience.

6. Overall Satisfaction:

- Participants rated overall satisfaction at an impressive average of 4.6/5.
- The program was well-received, indicating its success in meeting objectives.

Participant Testimonials

- “The session on leadership skills was transformative. I now have a clear roadmap to foster leadership qualities in myself and my students.”
- “The session on adopting technology provided practical tools and strategies that I can integrate into my teaching methods immediately.”
- “Dr. Pranav Desai’s practical examples of AI applications in management were particularly helpful.”
- “The discussion on ethics in management reinforced the importance of values in professional and academic settings.”

Conclusion

The National 5-Day FDP on "**Redefining Values in Management**", organized by the Department of Management, successfully enhanced faculty skills in leadership, ethics, and modern teaching practices. Expert-led sessions on emerging trends like AI, IPR, and technology were highly engaging and practical.

Participants reported improved teaching strategies, professional growth, and motivation, reflecting the program’s alignment with NAAC’s goals of fostering academic excellence and institutional advancement.

**5 DAY ONLINE NATIONAL FDP**
REDEFINING VALUES IN MANAGEMENT EDUCATION
ORGANISED BY IQAC, YIMS & DEPARTMENT OF MANAGEMENT

11th to 15 th July 2023 | 7 pm to 8 pm | Through Google Meet

ABOUT THE COLLEGE
Yuvakshetra Institute of Management Studies (YIMS) is a Premier Professional Training Institute and Arts and Science College situated in the lush surrounding of the beautiful village named Ezhakkad in Mundur Panchayath of Palakkad District in Kerala. It is affiliated to the University of Calicut and managed by the Catholic Diocese of Palakkad under the Yuvakshetra Charitable Trust.

ABOUT THE DEPARTMENT
The Department of Management was formed in the pursuit of academic excellence and to foster quality Management education in the region. The Department represents the zeal for excellence, the true spirit of Yuvakshetrians. Department provides broad - based and specialized business education, preparing individuals to face the ever growing challenges in the business environment with confidence.

ABOUT THE FDP
In the FDP, we explore how values in Management education are negotiated and partly redefined by teachers, school leaders and local administrators with data use and accountability. Two dilemmas are prominent for the teachers: Testing and data use are perceived as important to meet the needs of the students and to create transparency and initiating innovation and identify students at the lowest proficiency levels, the established accountability chains knowledge in the progress of these students and the teachers' efforts only to a limited extent.

Report on 5-Day Faculty Development Program

"LATEX Training Program"

Organized by: Department of Mathematics
Date: June 17, 2023 – July 15, 2023
Platform: Offline

The 5-Day FDP on "LaTeX Training Program" was organized by the Department of Mathematics to equip faculty members with essential skills in LaTeX, a powerful document preparation system. The program saw active participation from 15 educators, fostering a collaborative and enriching learning environment.

Objective:

- To familiarize participants with LaTeX as a tool for academic and professional documentation.
- To enhance participants' technical expertise in creating professional-grade documents, presentations, and research articles.

Program Structure:

Each session was led by Prof. Rajan T. K., who provided practical demonstrations and hands-on training on various LaTeX functionalities, including formatting, typesetting equations, and creating presentations. The sessions were delivered on Saturdays from June 17, 2023 to July 15, 2023 from 10 AM to 3:30 PM.

Resource Person:

Prof. Rajan T. K., Head of Department, Mathematics, YIMS.

Day 1 (June 15, 2023)

Topic: Introduction to LaTeX and its significance in academic writing.

Key Highlights:

- Participants were introduced to LaTeX as a tool for professional document preparation.

Principal
yuva kshētra
Institute of Management Studies
Ezhakkad(PO), Mundur, Palakkad(Dt.)
Kerala, India, Pin-678 631

- The session highlighted the importance of LaTeX in academic writing and its advantages over traditional word processors.
- Hands-on exercises included setting up the LaTeX environment and creating a simple document.

Day 2 (June 24, 2023)

Topic: Basic structure and document formatting.

Key Highlights:

- The session focused on the essential structure of LaTeX documents, including preamble, sections, and paragraphs.
- Participants practiced formatting text, adjusting margins, and creating title pages.
- Practical activities included designing headers, footers, and page layouts.

Day 3 (July 1, 2023)

Topic: Advanced typesetting of mathematical equations and symbols.

Key Highlights:

- Participants learned to typeset complex mathematical equations and symbols.
- The session covered key environments like "align," "equation," and "matrix."
- Practical tasks included writing equations for research articles and creating custom math commands.

Day 4 (July 8, 2023)

Topic: Customizing tables, figures, and bibliographies.

Key Highlights:

- The session explored creating and customizing tables and inserting high-quality figures into documents.
- Participants were introduced to bibliographic management using tools like BibTeX.
- Hands-on exercises included creating complex tables, managing references, and designing visually appealing layouts.

Day 5 (July 15, 2023)

Topic: Preparing presentations using the Beamer package.

Principal
yuva kshētra
 Institute of Management Studies
 Ezhakkad(PO), Mundur, Palakkad(Dt.)
 Kerala, India, Pin-678 631

Key Highlights:

- Participants were introduced to the Beamer package for creating professional presentations.
- The session covered slide formatting, themes, transitions, and including multimedia content.
- Practical activities included creating a complete presentation for academic conferences or lectures.

Key Insights and Highlights

The sessions provided valuable insights into various aspects of academic documentation using LaTeX. Some of the key takeaways include:

- Practical Application of LaTeX: Gaining hands-on experience in using LaTeX for professional and academic documentation.
- Comprehensive Document Preparation: Understanding the advanced formatting of mathematical equations, tables, figures, and bibliographies.
- Importance of Structured Writing: Recognizing the need for precision and consistency in academic writing.
- Utilization of Technology in Academia: Leveraging LaTeX as a tool to enhance the quality of research papers and presentations.
- Empowerment through Skill Development: Equipping educators with critical technical skills to foster academic excellence and professional growth.

Program Evaluation

- Feedback was gathered from participants at the end of each day to assess the effectiveness of the sessions.
- Participants appreciated the practical, hands-on approach and the clear explanations provided by the trainers.
- The training sessions fostered a collaborative learning environment, allowing participants to actively engage with the content and clarify doubts.
- The program successfully addressed the diverse needs of participants, ranging from beginners to those with intermediate LaTeX knowledge.

Principal
yuva kshētra
Institute of Management Studies
Ezhakkad(PO), Mundur, Palakkad(Dt.)
Kerala, India, Pin-678 631

- At the conclusion of the FDP, e-certificates were distributed to all attendees as recognition of their participation and completion of the program.

Outcome

The FDP on LaTeX training successfully met its objectives, with participants expressing a significant improvement in their technical skills and confidence in using LaTeX for academic writing. Attendees reported a deeper understanding of document formatting, mathematical typesetting, and citation management, which they found immediately applicable to their research and teaching. The content was highly relevant to their academic roles, and many participants indicated that they would incorporate LaTeX into their professional work. Overall, the program equipped educators with the tools to enhance their academic writing and presentation skills effectively.

Feedback Metrics

The feedback was categorized based on the following parameters:

- 1. Relevance of the Topics**
- 2. Clarity and Engagement of Resource Persons**
- 3. Usefulness of Content in Practical Application**
- 4. Interaction and Question-and-Answer Sessions**
- 5. Technical Aspects and Coordination**
- 6. Overall Satisfaction with the Program**

Participants rated these aspects on a scale of 1 to 5, with 1 being “Poor” and 5 being “Excellent”

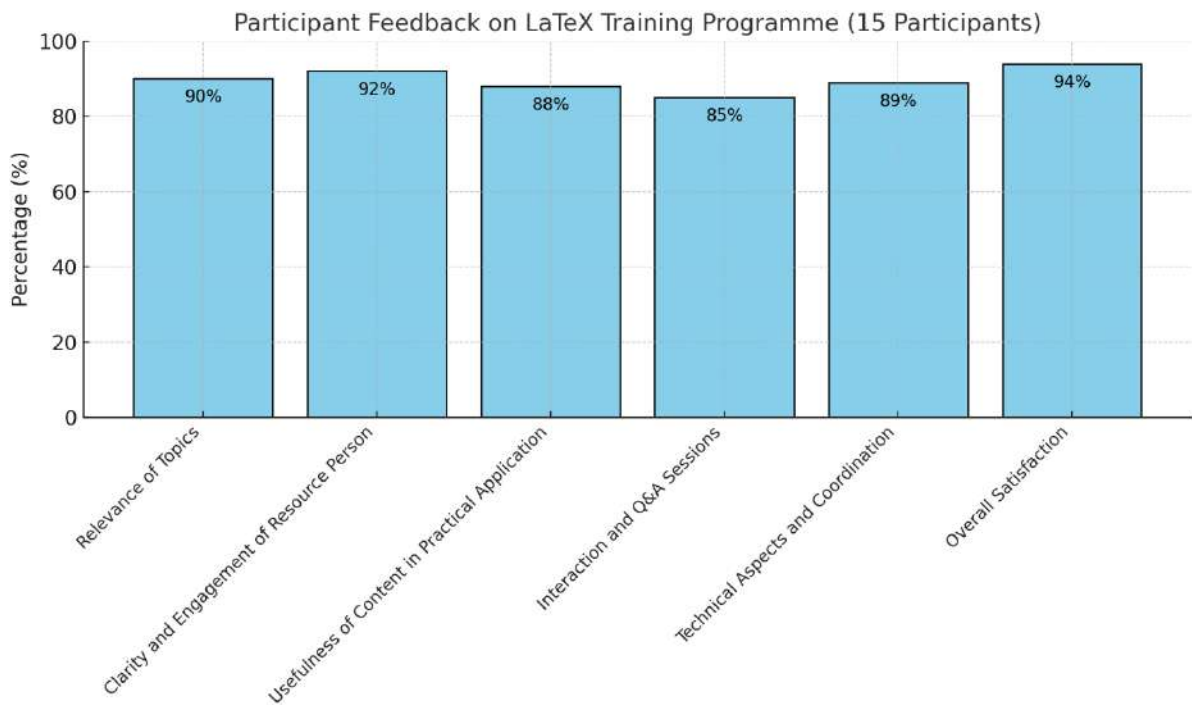

Key Findings

- 90% of participants rated the relevance of the topics as excellent, appreciating the practical focus on academic and professional documentation.
- Prof. Rajan T.K.'s clarity and hands-on approach were highly commended, with 92% of participants praising the engaging sessions and real-time examples.
- 88% of participants found the content directly applicable to their research and teaching needs, with many reporting an immediate improvement in their document preparation skills.

Principal
yuva kshētra
 Institute of Management Studies
 Ezhakkad(PO), Mundur, Palakkad(Dt.)
 Kerala, India, Pin-678 631

- 85% of participants appreciated the interactive format, highlighting the prompt responses to their questions and active engagement.
- The program's organization and seamless coordination received high marks from 89% of participants, reflecting the smooth execution of the training.
- An overwhelming 94% of participants expressed high satisfaction with the programme, underscoring its success in meeting their expectations and objectives.

Participant Testimonials:

- “The training was highly practical and beneficial for research writing.”
- “I gained confidence in using LaTeX for professional documentation.”
- “The sessions were well-structured, with ample hands-on exercises.”

Conclusion:

The FDP on "LaTeX Training Program" proved to be a valuable initiative by the Department of Mathematics, empowering faculty members with a critical skill in academic documentation. The department remains committed to organizing similar training programs to foster continuous professional development.

7-Day National-Level Online Faculty Development Programme

"AI in Teaching and Research in line with NEP"

Organised by: PG Department of Commerce

Date: February 26, 2024 – March 5, 2024

Platform: Google Meet

The 7-Day National-Level Online Faculty Development Programme (FDP) titled *"AI in Teaching and Research in Line with NEP"* was organized by the PG Department of Commerce from February 26 to March 5, 2024, via Google Meet. This event aimed to equip educators with insights and practical skills to integrate Artificial Intelligence (AI) into teaching and research, aligning with the transformative goals of the National Education Policy (NEP). Over 130 participants from diverse academic backgrounds participated in this initiative.

The sessions were led by esteemed resource persons who delved into critical topics such as the ethical implications of AI, innovative curriculum design, research enhancement, and AI-driven teaching strategies. By fostering collaboration and addressing the evolving needs of academia, the programme empowered educators to embrace AI as a tool for achieving excellence in education and research.

Objectives:

- The 7-day FDP was aimed at enabling faculty members to:
- Understand the role of Artificial Intelligence (AI) in transforming teaching and research methodologies.
- Incorporate AI tools in alignment with the goals of the National Education Policy (NEP).
- Gain insights into innovative teaching strategies and their practical application.
- Build a supportive network for knowledge sharing and collaboration.

Principal
yuva kshētra
Institute of Management Studies
Ezhakkad(PO), Mundur, Palakkad(Dt.)
Kerala, India, Pin-678 631

Structure of the Program

Each day of the FDP featured a session led by an expert in the field, focusing on topics that were both practical and insightful for educators. The sessions were delivered via Google Meet, with an average timing of one hour (07:00 PM to 08:00 PM).

Day 1 (February 26, 2024)

Topic: Overview of AI in Education

Resource Person: Dr. Vineeth K. M., Assistant Professor, Government College, Tripunithura

Highlights:

1. Introduction to AI and its transformative potential in education.
2. Exploration of AI's role in enhancing teaching and learning experiences.

Day 2 (February 27, 2024)

Topic: AI Applications in Research and Academic Integrity

Resource Person: Dr. Gabriel Simon Thattil, Senior Professor, University of Kerala

Highlights:

1. Discussion on AI tools enhancing research productivity and quality.
2. Emphasis on maintaining academic integrity while using AI in research.

Day 3 (February 28, 2024)

Topic: Integrating AI in Curriculum Design and Assessments

Resource Person: Dr. Smiju I.S., Assistant Professor, Cochin University of Science and Technology

Highlights:

1. Practical approaches to integrating AI into curriculum design.
2. Use of AI in personalized learning and assessment methods.

Day 4 (February 29, 2024)

Topic: AI-Driven Pedagogical Strategies for Inclusive Learning

Principal
yuva kshētra
Institute of Management Studies
Ezhakkad(PO), Mundur, Palakkad(Dt.)
Kerala, India, Pin-678 631

Resource Person: Dr. V. Krishnakumari, Assistant Professor, Ethiraj College for Women, Chennai

Highlights:

1. AI's role in promoting inclusive learning for diverse student needs.
2. Strategies for using AI to support students with disabilities and varied learning paces.

Day 5 (March 1, 2024)

Topic: Ethics and Responsible Use of AI in Education

Resource Person: Dr. Sony Kuriakose, Assistant Professor, Nirmala College, Muvattupuzha

Highlights:

1. Ethical considerations in the use of AI in educational settings.
2. Importance of ensuring fairness, transparency, and accountability in AI tools.

Day 6 (March 4, 2024)

Topic: AI for Collaborative Research and Interdisciplinary Learning

Resource Person: Dr. Diana Ann Isaac, HOD and Assistant Professor, Mar Athanasius College, Kothamangalam

Highlights:

1. The role of AI in facilitating collaborative and interdisciplinary research.
2. Use of AI tools to enhance communication and data sharing among researchers.

Day 7 (March 5, 2024)

Topic: AI in Academic Publishing and Best Practices for Research

Resource Person: Dr. K. S. Sowmiya Rani, Editor at Editage, Founder of Sowmi's AWW

Highlights:

1. AI's impact on improving the quality of academic publishing.
2. Best practices for using AI to streamline the research and publication process.

Key Insights

1. Participants gained a clear understanding of the relevance and applications of AI in teaching and research.
2. Faculty members acquired practical skills for integrating AI tools into their professional workflows.
3. The programme facilitated a platform for networking and exchange of innovative ideas among educators.
4. The sessions emphasized the integration of AI in line with NEP goals, promoting futuristic and student-centric education practices.

Program Evaluation

- Feedback was gathered from participants after each session to assess the programme's effectiveness.
- Participants commended the resource persons for their engaging and informative presentations.
- The sessions promoted active interaction, enabling educators to exchange experiences and discuss challenges.
- Practical insights were shared, equipping participants with applicable AI tools for their teaching and research.
- E-certificates were issued to all participants on the final day, recognizing their involvement and commitment to professional development.

Outcome

The program was highly successful in achieving its objectives. Participants reported a significant increase in their understanding of AI's role in education and research. They gained valuable insights into integrating AI into teaching practices, curriculum design, and research methodologies. The sessions provided practical strategies that educators could immediately apply in their institutions, with topics closely aligned to the needs of modern academic curricula. Overall, the program empowered participants to embrace AI as a tool for enhancing their educational practices, fostering collaboration, and advancing research in line with the goals of the National Education Policy (NEP).

Feedback Analysis:

The FDP program on AI in Teaching and Research received highly positive feedback from participants, reflecting its effectiveness in aligning with the objectives outlined under NEP. Feedback was collected through a survey distributed to all 131 participants after each session. The analysis reveals strong satisfaction in areas like "Overall Satisfaction" and "Organization and Coordination," while identifying "Practical Application" and "Engagement and Interaction" as potential areas for enhancement.

Feedback Matrices

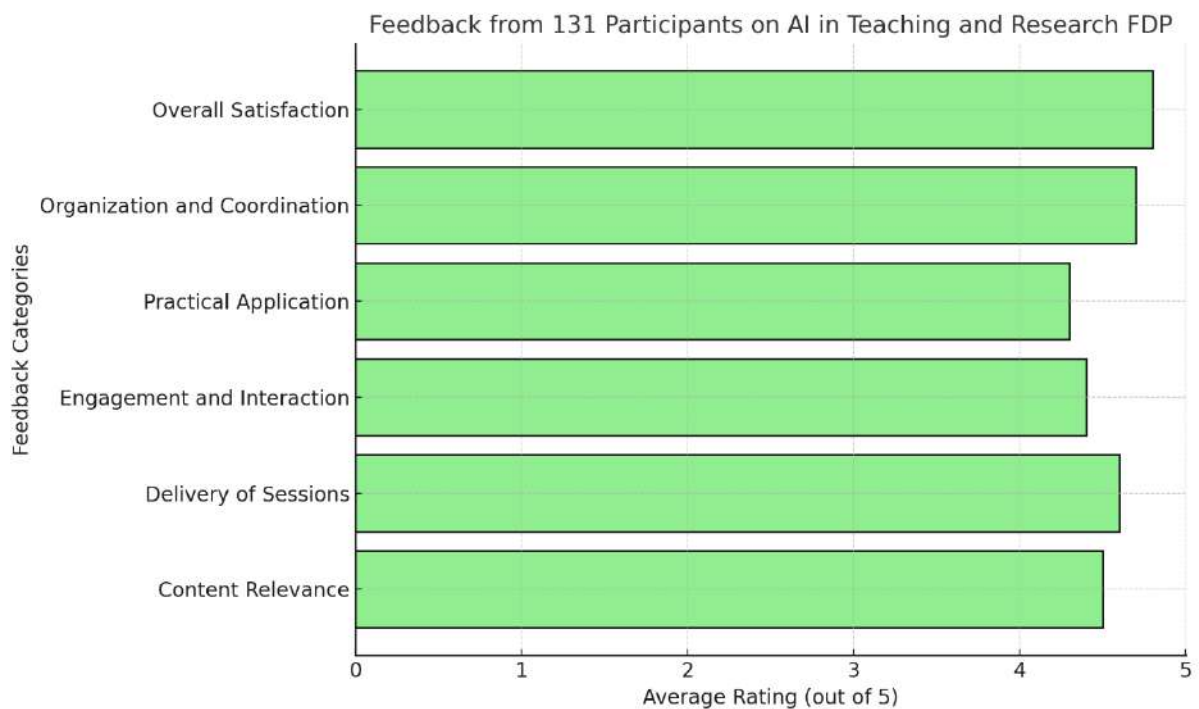

1. Content Relevance
2. Delivery of Sessions
3. Engagement and Interaction
4. Practical Application
5. Organization and Coordination
6. Overall Satisfaction

Key Findings

1. **High Satisfaction Overall:** The program received consistently high ratings, with all feedback categories scoring above 4.3 out of 5, indicating strong satisfaction among participants.
2. **Top-Performing Areas:** "Overall Satisfaction" (4.8) and "Organization and Coordination" (4.7) were the highest-rated categories, reflecting excellent planning and execution of the FDP.

Participants' Testimonials:

- "The sessions were incredibly insightful and well-structured, making complex AI concepts easy to understand. The program has broadened my perspective on integrating AI into teaching and research."
- "I appreciated the diversity of topics covered and the expertise of the resource persons. The organizers did an excellent job of ensuring a smooth and engaging experience throughout."
- "This FDP exceeded my expectations. The relevance of the topics to NEP and the focus on AI applications were spot on. Kudos to the organizing team for such a well-executed event!"

Conclusion

The FDP on AI in Teaching and Research, organized by the Department of Commerce, concluded successfully with highly positive feedback from participants. The program effectively aligned with the objectives of NEP, providing valuable insights into the integration of AI in academia. With high satisfaction in areas such as organization and overall impact, the event highlighted both its success and areas for enhancement, paving the way for future initiatives.
