Flood relief and rehabilitation

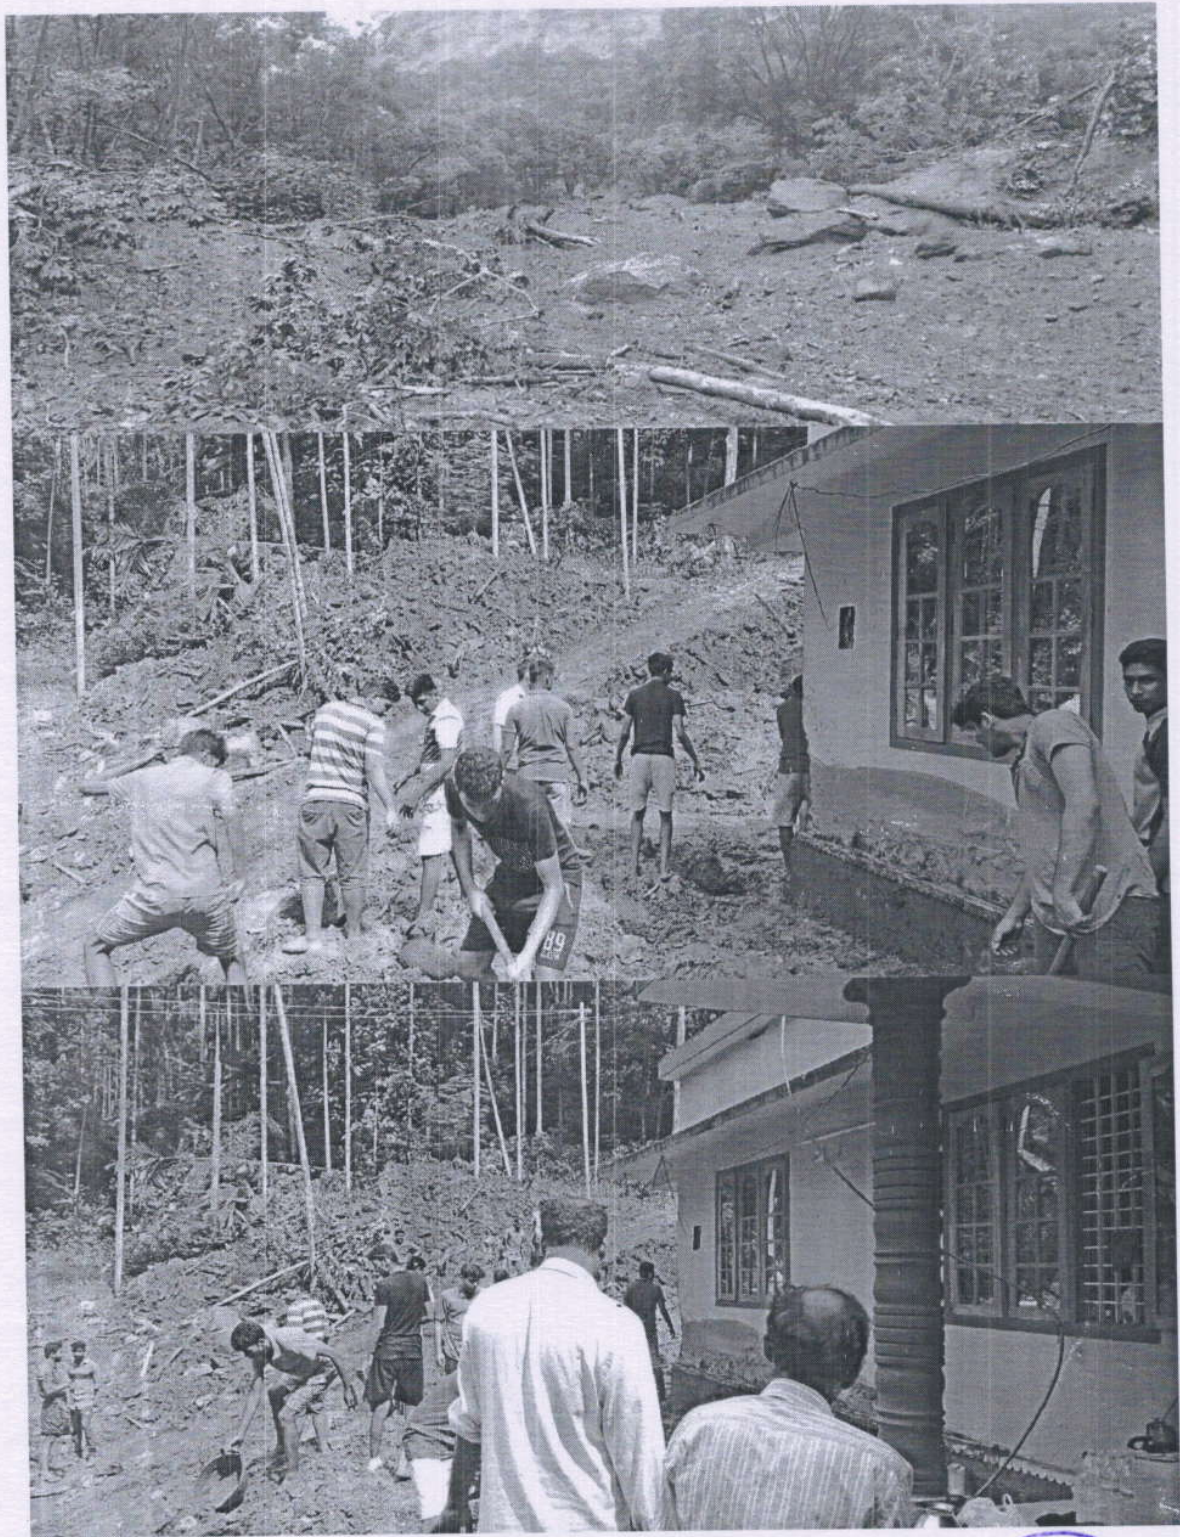

The recent floods in Kerala, probably the greatest ever in its history, affected a lot of people throughout the state. Never before had our state faced such a grave situation. The people had to leave everything behind them, just to move to safety. Lakhs of people had to move to relief camps for their survival. It was certainly not an easy situation for them. Help needed to reach them on an urgent basis.

As part of the flood relief and rehabilitation, YUVAKSHETRA INSTITUTE OF MANAGEMENT STUDIES, MUNDUR, PALAKKAD, organized cleaning camp on August 20th, 2019 at Mr JEO JAY' house , palakkayam, mannarkkad. The student volunteers gave complete support and worked very hard. It is indeed worthwhile to mention here that donated above Rupees 1 lakh to the victim. The day was really unforgettable and such an effort indeed made us truly happy.

When the entire state was trying to lend a helping hand to the flood affected people, our student volunteers took this responsibility upon themselves. A total of 24 student volunteers participated in the affected areas.
